Subject Acquisition of certain properties in Doddagunta
Khayamgutha Village, for extension of
Madavaraya Mudaliar Road, Cox Town from
Charles-Campbell Road up to Kadirappa Road,
35th Division. Civil Station. Bangalore

With reference to the Government Notification

No L 9504/C M 6-53-84 dated 31st October 1953 authorising me to
hear objections under section 5 (A) Land Acquisition Act on the
above subject, I write to state that notices under section 4
Land Acquisition Act were issued and served on the respective
owners of the properties calling for objections under section
5 (A) Land Acquisition Act In response, the following persons
have filed petitions and stated as follows

(1) Objection petition of Sri Narayanappa dated 10-12-53
(Door No 158 & 158 (A))

He is a labourer with a small income which is not
sufficient to support his family, if the above property is
acquired, it would not be possible for him to find accommodation
only open land may be acquired leaving the built portion for
his family

(2) Objection petition of Sri P H Thiruvengadam dated
14-12-1953 (Door No 156 (a))

He has purchased the house in the year 1944 for a sum of
750/- and improved the same by spending more than Rs.3,000/-,
as per existing rates the entire building worths Rs.6,000/-
Now he is getting a rent of Rs.30/- per month and he is entirely
dependent on the same as he is unemployed etc

- 2 -

(3) Objection petition of Sri Narayanaswamy Pillai dated 14th December 1953 (plot No G)

The proposed acquisition will entail a serious loss to him as it comprises small bit abutting the road and will definitely affect the value of his property as a whole. A good bit of land has already been acquired from him about 8 or 10 years back in the same locality hence the acquisition now proposed may be dropped.

(4) Objection petition of Sri M Aswathanarayanawamy dated 14-12-53 (Door No. H 150)

He has no objection for his land now proposed to be acquired and he may be granted a suitable building site in exchange. A temporary shed erected on the land, has not been included in the gazette notification and it is necessary that the same should be valued while fixing compensation.

With regard to the objections of Sri Narayanappa and Sri Narayanaswamy Pillai (Sl No 1 and 3) to drop the acquisition proceedings on their properties, it has to be stated that Madhavara Mudaliar Road is 60 ft wide at present, this road which is proposed as its continuation is 50 ft, if these properties are not acquired the proposed road at its junction with Kadirappa Road will be only 42 ft and irregular, and rounding off as shown in this proposed plan is not possible. Therefore, the objections of Sri Narayanappa and Sri Narayanaswami Pillai cannot be treated as tenable.

Sri R E Thiruvengadam (Sl No 2) Door No 156 (A) has not objected the proposed acquisition but he wants higher compensation for his property.

Grant of site to Sri Aswathanarayanawamy owner of Door No H 150 will have to be considered separately after his land is acquired. The request of the party for fixing up the value on the shed located in the land, cannot be considered as it is a temporary one and it can be removed at any time. All the copies of objection petitions are enclosed herewith for reference.

The draft final declaration statements have been prepared on the basis of the preliminary notifications already published except changing of the name of Sri Narayanaswamy, Sl No 4 in the

notification into Sri Narayanaswamy Pillai and the same are herewith sent for favour of publication in the official gazette

The estimated cost of acquisition amounting to Rs. 19,143-2-0 will be met out of the Corporation funds in the allotment of the current year's budget

I request that sanction of Government may kindly be obtained for the acquisition of ~~the~~ this scheme authorising me to take order for the acquisition of these properties under section / Land Acquisition Act

The Compiler, Mysore Gazette, may be requested to send 25 spare copies of notifications of each set to this office as usual

Forwarded with compliments

Sub Acquisition of 158/A, Doddigunta

With reference to your notice No L1 Pr 44/52-53 dated 23-11-1953, I wish to bring to your notice that I am a working class of man with a small income, which is not sufficient to support my family, and if I am driven out of my house it will not be possible for me to find accommodation elsewhere. I shall be obliged if you will give this matter your consideration and instead of demolishing my house, take the required portion of land required by you for the intended road, and leave me with my home.

I shall be ever grateful for your kind assistance and consideration in granting my request

Re Acquisition of plot H of Door No 150, Doddigunta,
Bangalore

1 That the claimant had prayed several times for sanction to erect a building in the land proposed to be acquired but was refused sanction on the ground that it was required for the road. The claimant understands that such refusal was illegal and while estimating the loss suffered by the acquisition due weight should be given for the loss of rents, enhancement of value of the building which the claimant could have built

3 The land in the locality costs about Rs.2-8-0 square foot
The wall proposed to be acquired costs about Rs.1000/-

5 Lastly the claimant also states (vide letter No D 5/2460/53 of 28-3-53 from the Engineer, Corporation of Bangalore) that when the Commissioner, Engineer and the Health Inspector Officer inspected the above mentioned area, the claimant approached the Commissioner who then asked the Engineer to make a note of his name for allotment of land.
